

PROCESS DATA SHEET - MULTIPHASE FLOW METER

GENERAL INFORMATION										
Company:			Project:			Contact person:			Date:	
Number of units:			Design pressure:			Estimated delivery time:				
Inlet piping size:			Design temperature:							
Material:			Watercut min / max:							
Pressure rating:										
EXPECTED FLOWRATES										
Unit		1st year			5th year			End of lifetime		
		Typical	Min	Max	Typical	Min	Max	Typical	Min	Max
Oil										
Gas										
Water										
Oper. Pressure										
DESCRIPTION OF APPLICATION										

Roxar Flow Measurement AS
 P.O. Box 2364, 5037 Solheimsviken, Norway
